

Mission

The college aims at achieving academic excellence which equips the students, especially from weaker sections and girl students, for an upward drift towards creation of an equal social structure as well as make them at par with the national and international academic standards. The courses offered are such that focus on practical aspects to impart meaningful learning to foster courage, confidence and competitive spirit in changing global scenario. Majority of the students come from diverse rural and cultural backgrounds, so the foremost mission of the college is to provide an affordable quality education, to enhance the skills of youth for self-reliance and individual development, thus embracing equity and accountability through effective learning outcome and achievement of goals.

In the world of globalization and entrepreneurship the college aims to accelerate and optimize the effective and economical use of resources with commitment, concern and care for the well-being of students and society, where they can grow into responsible individuals and god human beings.

Vision

Government College, Naraingarh follows the eternal ideology of “Universal Welfare” as stated in the motto “सर्वजन हिताय” (welfare of all) without any prejudice towards gender, cast, economic status etc. by offering quality education in Science, Commerce & Humanities and also inculcating Human Ethics. The foremost purpose of the college is to provide a healthy learning environment to the students and staff to discover new ideas, innovative methods of teaching & learning, and critically examining new areas of knowledge.

The college envisions to become a pioneer of learning center where it endeavors to offer high quality education everyone especially to less privileged students of the society and to equip rural youth with skills they need to excel in their professional and social development. The vision is to shape young minds into future leaders of the world, and the college provides them the suitable platform to realize their full potential & growth. Hence the college adapts a progressive & futuristic approach towards imparting learning where it aims to provide holistic development of students, virtuous character, and responsible citizenship thereby promoting patriotism and integrity of the country.
