Parent's Feedback & Alumni Feedback 2021-22

Overall, the feedback reflects a positive perception of the college experience among parents. Parents expressed high levels of satisfaction with the learning experience, resources, teachers and mentors, and the overall college environment. These aspects contribute significantly to student success and development.

However, there are areas for improvement, particularly in career guidance and communication of student performance. The college can address these areas by:

- Enhancing career exploration opportunities and providing more detailed guidance on career paths.
